Deutsche Märchenstraße

… wo Märchen erlebbar werden

Eine Reise durchs Märchenland

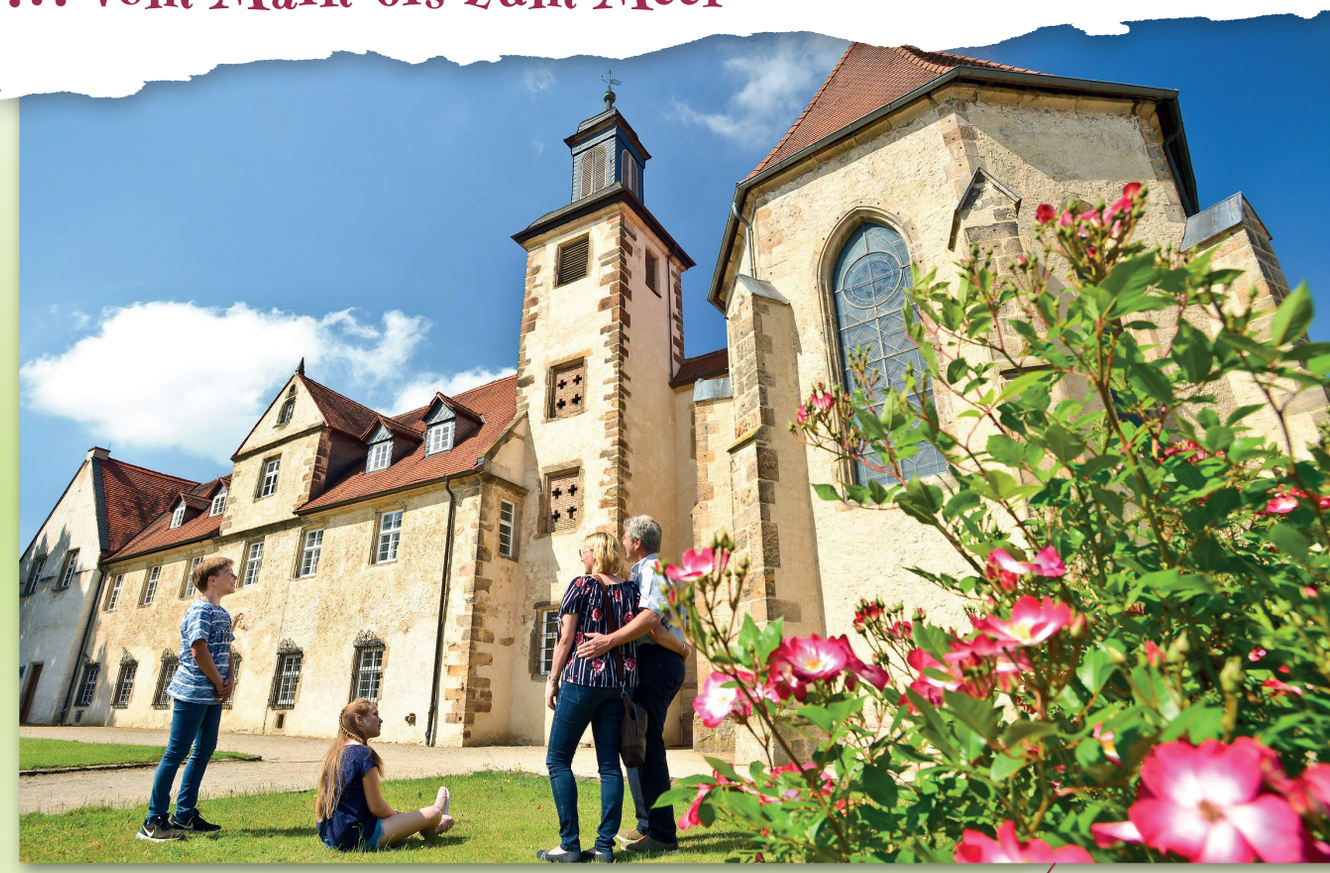
Am Nationaldenkmal der Brüder Grimm, in Hanau, beginnt sie, die Deutsche Märchenstraße – und damit Ihre Reise durchs Märchenland.

Folgen Sie der einzigartigen Route durch unterschiedliche Landschaften, abgelegene Dörfer und heimelige Fachwerkstädtchen bis nach Bremen. Sagenumwobene Burgen, märchenhafte Schlösser und ungezählte Märchenbrunnen säumen den Weg.

In Schlosshotels wie in rustikalen Klausen wird Ihnen gerne das Kissen aufgeschüttelt und das Tischlein reich gedeckt. Erzählabende, Kostümführungen und Bühnenprogramme runden das märchenhafte Reiseangebot ab. Ob in Märchenparks oder Museen, auf romantischen Waldwegen oder märchenhaften Laternenpfaden, im Rahmen von Gruppenführungen oder auf eigene Faust, Ihr Ziel ist stets dasselbe: das Tor zu einer Welt, wo Märchen erlebbar werden.

„… da blieb er ein paar Tage
und erforschte derweil alles,
wie es mit dem Zauberwald beschaffen war.“

… vom Main bis zum Meer



… erleben und genießen

„Es war einmal …“ egal, ob beim Märchenmusical oder den Theaterfestspielen, ob in der interaktiven Museumslandschaft, dem Freizeitpark, bei spannenden Märchentagen oder beim stimmungsvollen Martkttreiben in der Weihnachtszeit – immer wieder begegnen und bezaubern uns die seit Kindertagen liebgewonnenen Gestalten, die entlang der beliebten Route mit ihren Geschichten zuhause sind. Darüber hinaus versprechen ein halbes Dutzend Zeugnisse des UNESCO-Welterbes der Menschheit und fünfzehn Naturparks zwischen Hanau bis Bremen und Buxtehude unvergessliche Urlaubserlebnisse für Naturliebhaber und Kulturinteressierte.

Auf Schusters Rappen … oder doch lieber mit dem Paddelboot, hoch zu Ross oder ganz neuzeitlich mit dem E-Bike? Um auf der Deutschen Märchenstraße aktiv unterwegs zu sein, gibt es viele attraktive Angebote. Entspannen Sie beim Wandern auf einem der wunderbaren Premiumwege durch ursprüngliche Wälder und Täler und über aussichtsreiche Höhen. Oder erkunden Sie mit dem Fahrrad die neue Raderlebnisroute – schier unbegrenzt sind die Möglichkeiten für einen erlebnisreichen Aktivurlaub.

Nur das Beste für Leib und Seele – dafür sorgen unsere Gastgeber und Partner entlang der märchenhaften Route. Ob deftig-lecker oder Haute Cuisine – in den Restaurants und Gasthöfen erwarten Sie kulinarische Vielfalt und jede Menge regionale Spezialitäten. Wollten Sie schon immer mal im Baumhaus übernachten oder doch lieber im Schlosshotel? Bevorzugen Sie das komfortable Wellnesshotel oder lieben Sie es mit dem eigenen Wohnmobil unterwegs zu sein? Entlang der Deutschen Märchenstraße haben Sie im besten Sinne die Qual der Wahl.

Jetzt neu – mit der App der Deutschen Märchenstraße alle Informationen, den umfassenden Service und digitale Erlebnisse auf Handy oder Smartphone immer verfügbar: komfortable Navigation und Routenführung, individuelle Reiseplanung rund um die Uhr und faszinierenden Erlebniswelten mit Augmented Reality.

Auf den Spuren der Brüder Grimm

Seit 1975 lädt die Deutsche Märchenstraße dazu ein, von Hanau, dem Geburtsort von Jacob und Wilhelm Grimm, bis zu den Bremer Stadtmusikanten den Spuren der berühmten Brüder zu folgen.

Gelebt haben sie in Hanau und Steinau an der Straße, beide heute offiziell „Brüder-Grimm-Stadt“, in Marburg, Kassel und Göttingen sowie Berlin. Abgesehen von Berlin werden diese Lebensstationen durch die Deutsche Märchenstraße verbunden und eröffnen vielfältige Zugänge zu einem beeindruckenden Lebenswerk.
Hanau lädt in jedem Jahr zu den Brüder Grimm Festspielen ein und in Steinau lässt sich fast begreifen, wie die Grimms als Kinder gelebt haben. Die GRIMMWELT Kassel zeigt Jacob und Wilhelm als weltweit vernetzte Sprachwissenschaftler und präsentiert einen unermesslichen Schatz: ihre persönlichen Handexemplare der „Kinder- und Hausmärchen“, Teil des UNESCO-„Memory of the World“.
Die Universitätsstadt Marburg entführt geradezu in die Zeit romantischer Welterkundung, während in Göttingen die beiden Brüder vor allem als politisch engagierte Gelehrte kennenzulernen sind.

Spuren der Grimms und wichtiger Zeitgenossen lassen sich auch an vielen anderen Orten entlang der Deutschen Märchenstraße finden. Ludwig Emil Grimm beispielsweise hat die Malerkolonie Willingshausen mit geprägt. Jacob war häufig zu Fuß am Hohen Meißner unterwegs, im heutigen Geo-Naturpark Frau-Holle-Land. Und die Schauenburger Märchenwache erinnert an Wachtmeister Krause, der den Grimms – im Tausch gegen „abgelegte Beinkleider“ – Märchen erzählt hat.

Auch wir könnten hier noch manches erzählen.
Doch … begeben Sie sich selbst auf märchenhafte Entdeckungsreise auf den Spuren der Brüder Grimm.
